- ❖ We have established the levels of proficiency necessary at each grade level in which we are confident a student can succeed academically. Please remember that these are guidelines that are considered along with other evaluations and a low English proficiency score does not automatically disqualify an applicant. We provide **ESL program** to help them improve English skills.
- ❖ For students with beginner English skills, we also provide one-year **Intensive English Program (IEP)** that students will receive 2 ESL classes and take academic coursework such as American Literature, Math, Life Science, Introduction to Religious Study, and Fine Arts. The IEP is designed for beginner ESL students applying for 7th to 10th and for applicants exhibiting academic strength and strong work ethic.
