

THE MIRACLES OF ST. BENEDICT

(26) Benedict the Healer

[adapted by Deacon Roy Goetz, from [The Dialogues, Book II](#) by [St. Gregory the Great](#)]

The following story comes from the distinguished Anthony. One of Anthony's father's servants was afflicted with a severe case of leprosy. His hair was falling out and his skin was thick and swollen. The progress of the disease was unmistakable. In this terrible condition he was sent to Benedict, who restored him to health.
