

**Subiaco Academy English Department Independent Reading Lists for High School
(revised May 2012)**

Students enrolled in regular English classes are required to read four texts. Each quarter, they will be tested on one of the texts they have read. Pre-AP and AP students are required to read a text each month, or about seven texts from the list. For testing purposes, students may read only from their grade level list. Students are encouraged to begin creating their own library by purchasing some of these books as the school does not necessarily provide these texts. Students are also encouraged to begin their reading during the summer.

Some of these selections will be taught and discussed in class. These texts will be provided for student use by the school. If the book is taught in class, it will not be used for the independent reading test. An * indicates a novel planned for in-class discussion. This list may change; the teacher will notify students at the beginning of the school year.
